*There are places I remember*

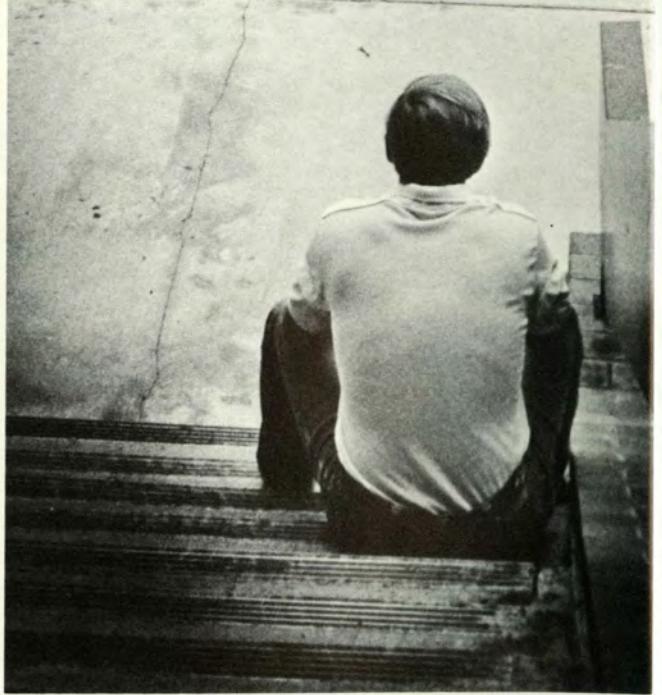

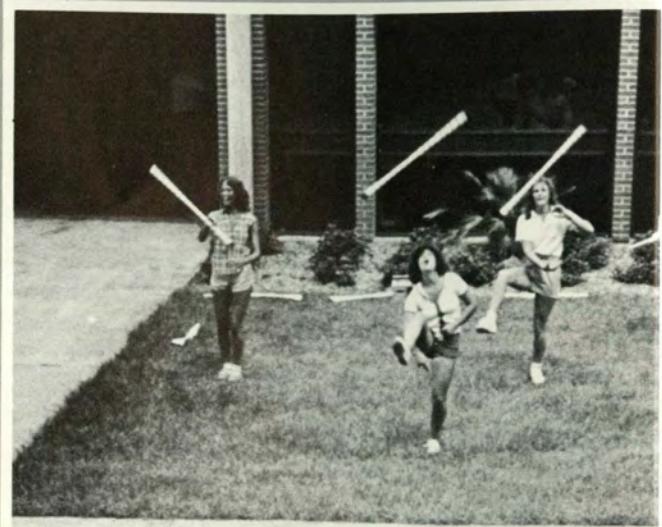

*All my life*

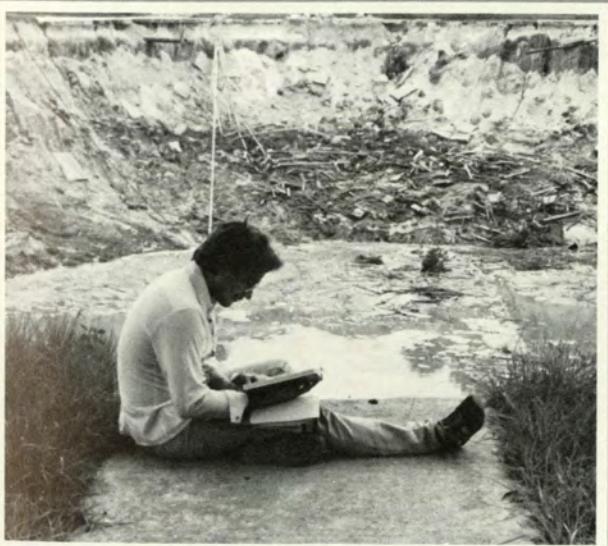

*Though some have changed,*

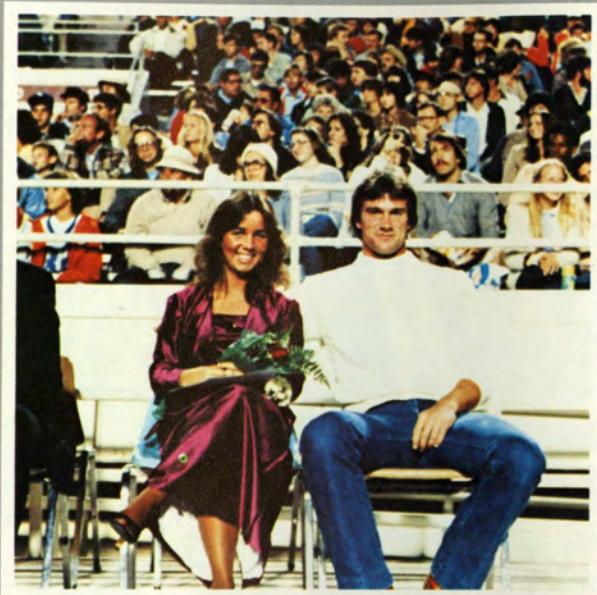

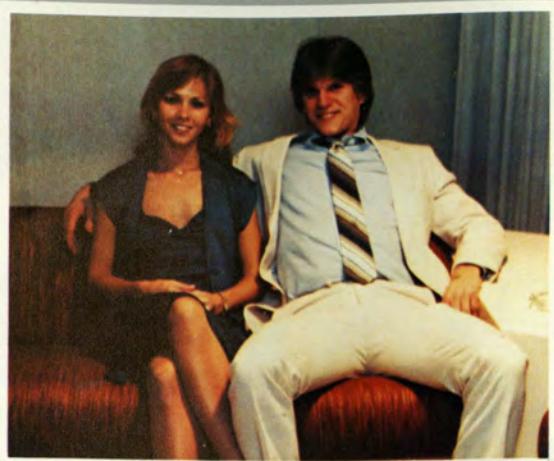

*Some forever not for better,*

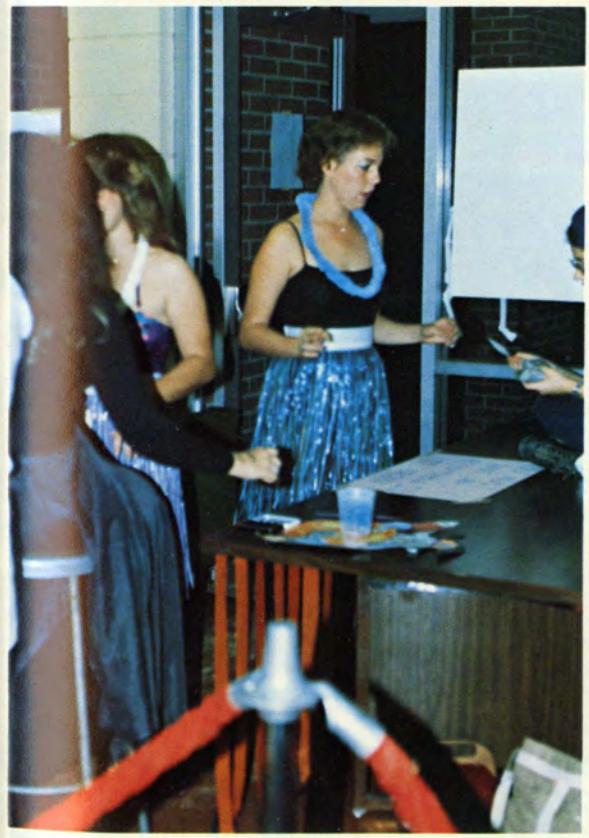

*Some are gone*

*And some remain*

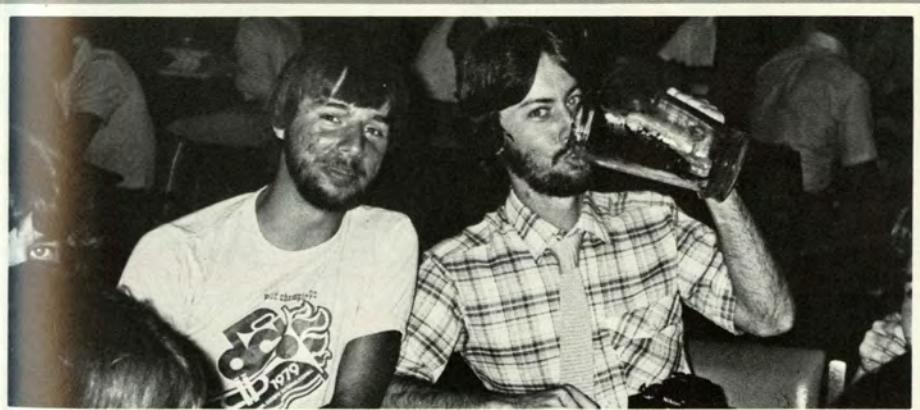

*All the places have their moments*

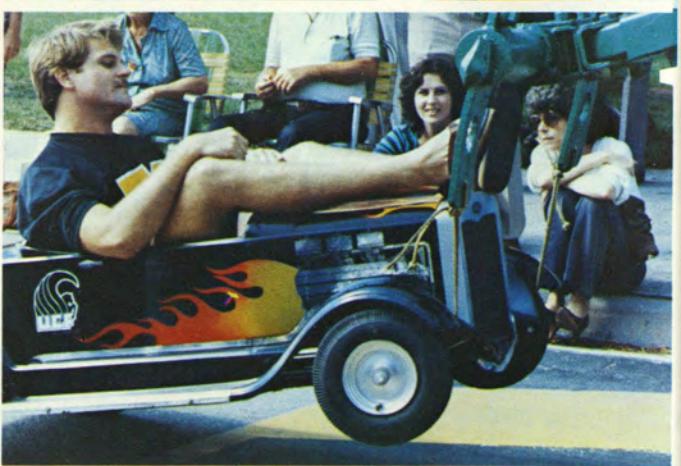

*With lovers and friends I still recall.*

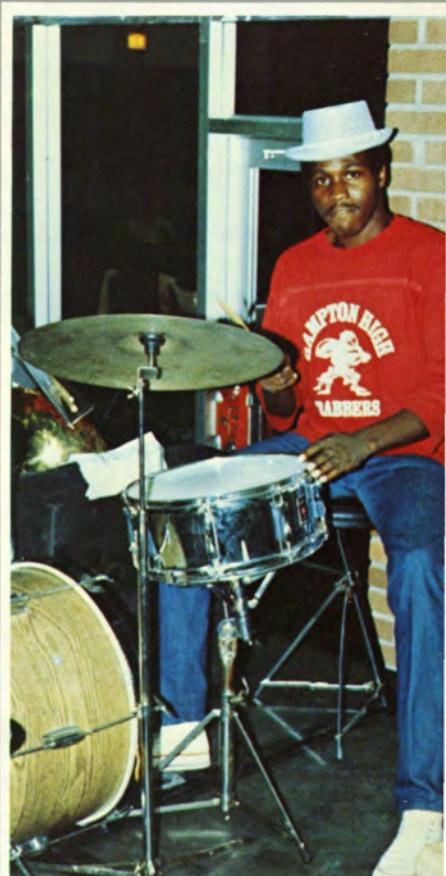

*Some are dead and some are living*

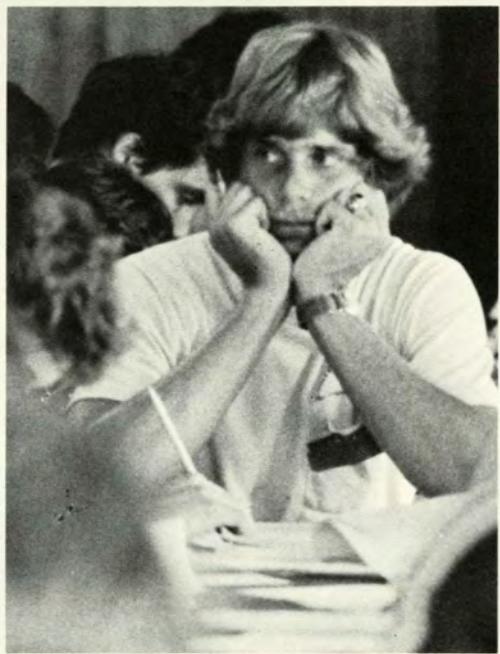

*In my life I've loved them all*

*Though I know I'll never lose affection*

*for people and things that went before*

*In my life*

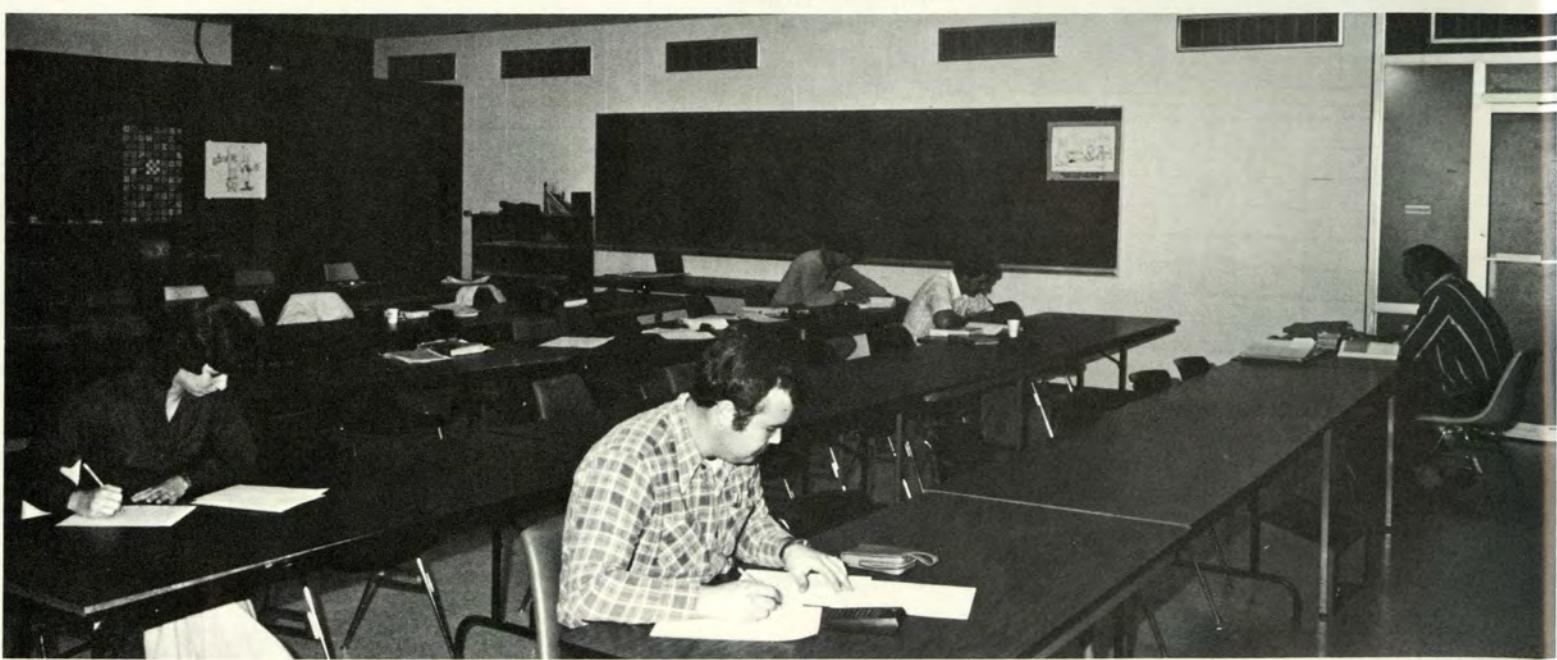

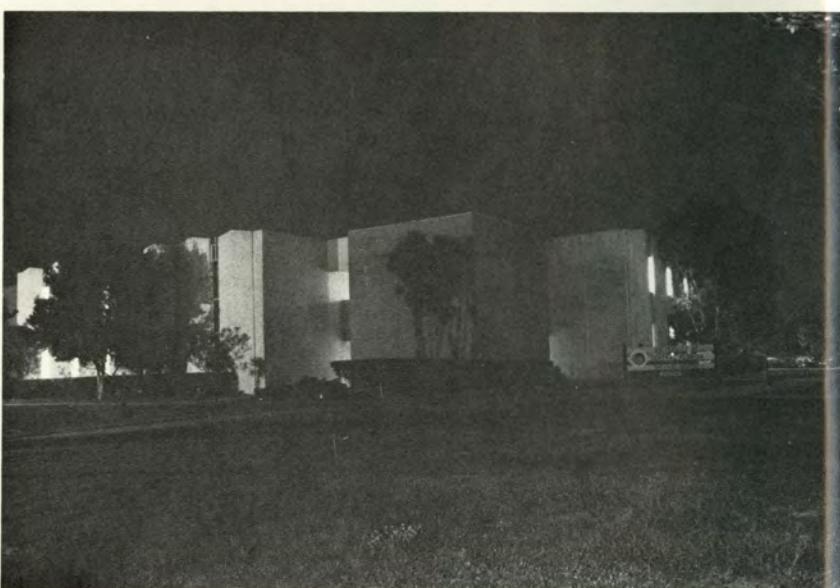

*I've loved them all*

An operation undertaken, as by means of propaganda, to attain some political, social, or commercial goal; fall senate elections and spring Presidential and Vice-Presidential elections.

## CAREER DAY:

Students attend many seminars in their field of business and spend the day with executives from many local businesses.

## CINDERELLA'S BALL:

The 1981 Homecoming dance held at the Sheraton Twin Towers.

## CINDERELLA X:

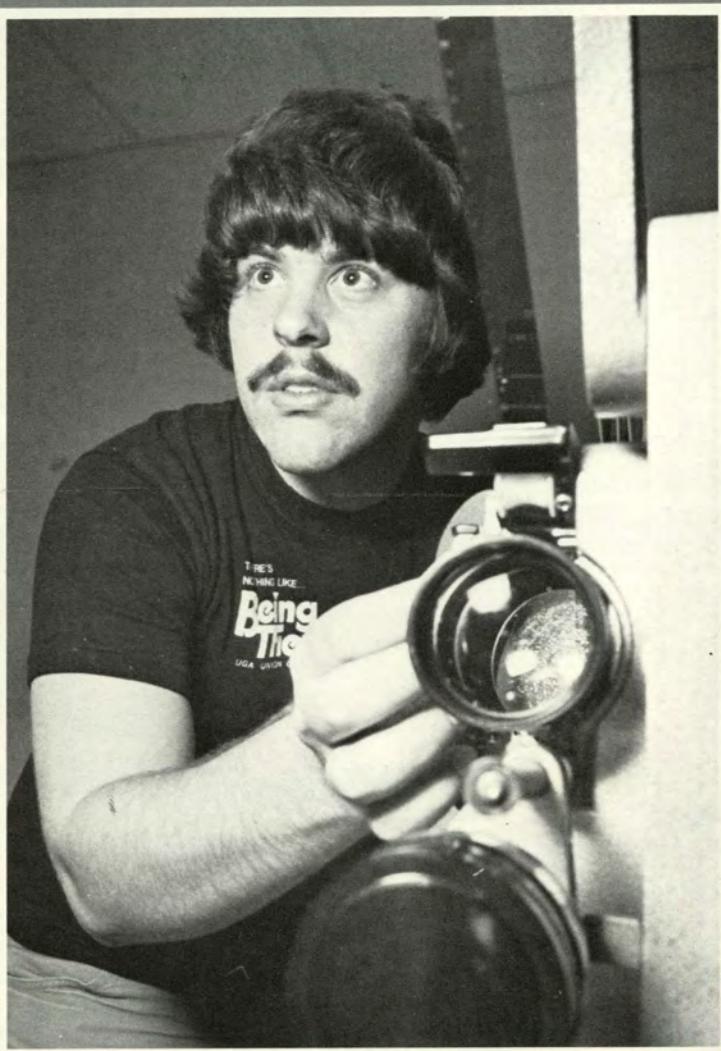

The most controversial film shown by the Student Center Cinema Committee during the year. Isn't it unusual that this was the most attended film.

## CLASSES:

Seems to be the longest fifty minutes ever spent. They appear to be closed during registration and add-drop; also the things you can't get an override for during your last term at UCF.

"My classes are always on the end of campus from each other."

"Why do my required classes always seem to conflict with each other?"

## **CLASSROOM BUILDING:**

## **FRISBEE GOLF:**

*One of UCF's only courses that doesn't require a pre-requisite and one of its favorite pastimes.*

## GAME ROOM:

A favorite spot on campus especially for resident hall students. There is everything from video games to pool and ping pong to board games.

Amazing! Impressive! Mr. Fingers shocked all students who attended this Popular Entertainment program. He presented his illusions, extra-sensory perception and magic for an exciting evening of entertainment.

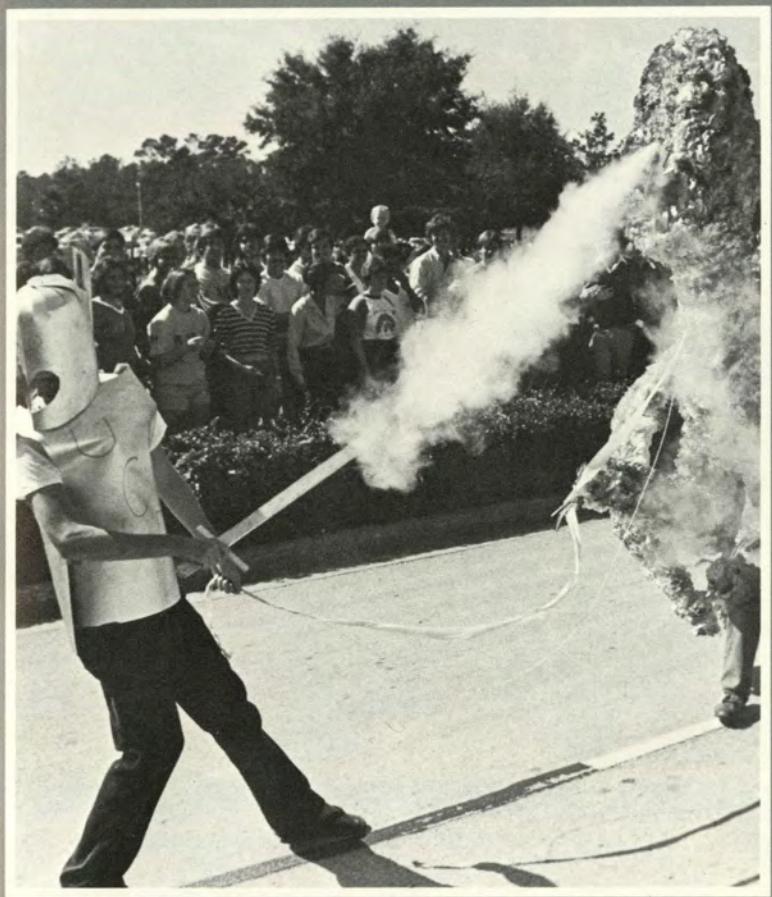

## NEW DORMS:

This year (1981-1982) three new dormitories were completed and all dormitories were given new names.

### **OFF-CAMPUS LIVING:**

*Those who prefer more privacy and "real" food usually live off campus, in apartments nearby or commute from home.*

### **ORIENTATION:**

*New students go through this program to check out the campus, activities and learn about registration.*

### **PABLO CRUISE:**

*Major group for the Homecoming concert, sponsored by Student Government. Together with Gary U.S. Bonds, UCF had an excellent Homecoming concert.*

### **PARADE:**

*Many organizations participated in the Homecoming parade, held in front of the library and on Park Avenue in Winter Park. The first place winner for best float was Phi Delta Theta (fraternity) followed by Alpha Chi Omega (sorority).*

### **PARTIES:**

*Halloween, Keg, rush, you name it. Seems there's a party for just about everything, every weekend, and for some every night.*

## **PEGASUS:**

Pegasus was the winged horse of the muses in Greek mythology. He carried their hopes, their aspirations, and their poetry into the skies.

Pegasus is as futuristic as tomorrow's space exploration in our solar system and into the universe beyond. The University seal also bridges the gap between the humanities and space technology.

## **POST OFFICE:**

Yes, we do have one, at the end of the Student Center sidewalk.

"Why can't they sell normal stamps? What am I going to do with two left-over three cent stamps?"

"That changer ate my dollar again!"

## **QUARTERS:**

Many wish we still had them.

## **REGISTRATION:**

All students must go through this each term — like it or not.

"My T and A had five classes and thirty-seven alternatives, but not one of them was opened!"

## **ROAD RALLY:**

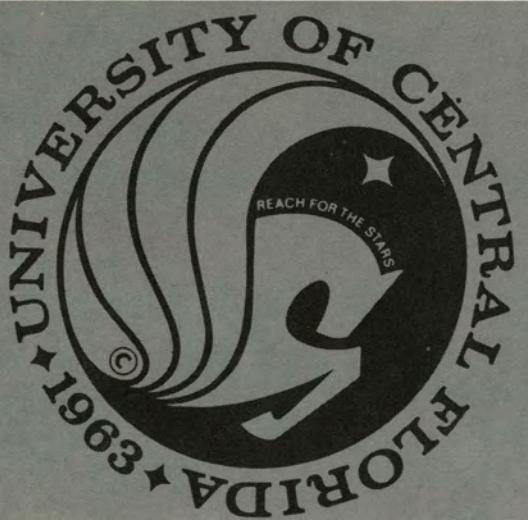

One driver, one navigator, add a car and what have you got? A Student Center Road Rally. Two were held this year, one through Orlando and the second — to the beach.

"I don't understand the route instructions!"

"What do they mean, 'Go around the highway twice.' "

"Are we lost?"

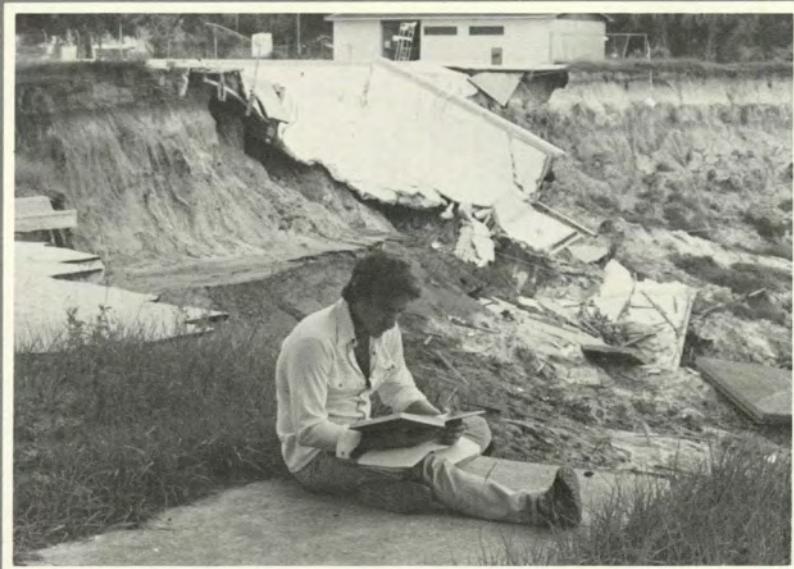

## **ROYAL WEDDING:**

*Lady Diana and Prince Charles, heir to the throne of England, were married in a very elegant royal wedding broadcast all over the world.*

## **SAGA:**

*The place that dorm students "must" pay to eat, but don't necessarily eat there.*  
"I'll bet Dick Scott doesn't eat here."  
"I hope there's no glass in my mashed potatoes!"  
"I looked over the menu and for the life of me can't figure out what this is."  
"What? Another food manager?"

## **SINKHOLE:**

*Just what this area needed, another tourist attraction in beautiful Winter Park.*

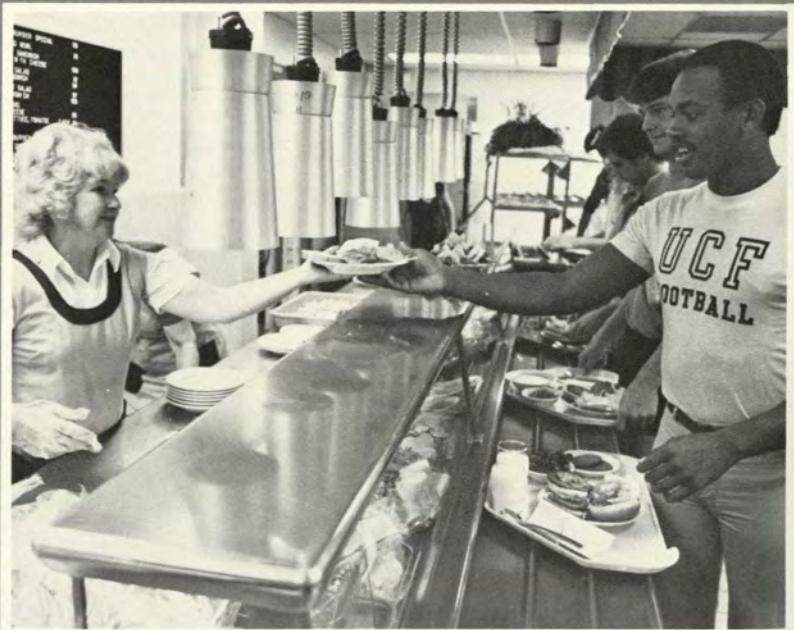

## **STUDENT CENTER: (PAC)**

*The people who bring campus programming to the students — cinema, homecoming, speakers, popular entertainment, education, public relations, recreation and culture events.*

## **STUDENT GOVERNMENT:**

*The purpose of SG is to represent student opinion; advance the cause of students both socially and academically; promote communication, cooperation and understanding among students; and to insure that SG shall continue to be used as a democratic instrument of change at U.C.F.*

### **STUDY:**

*To some it is a necessity for getting through school and is done regularly. Then there are those students who haven't figured out what the word means.*

### **TOM SAWYER DAY:**

*Eating contests galore and a bath tub race. This homecoming event turned out great with lots of fun and lots of food.*

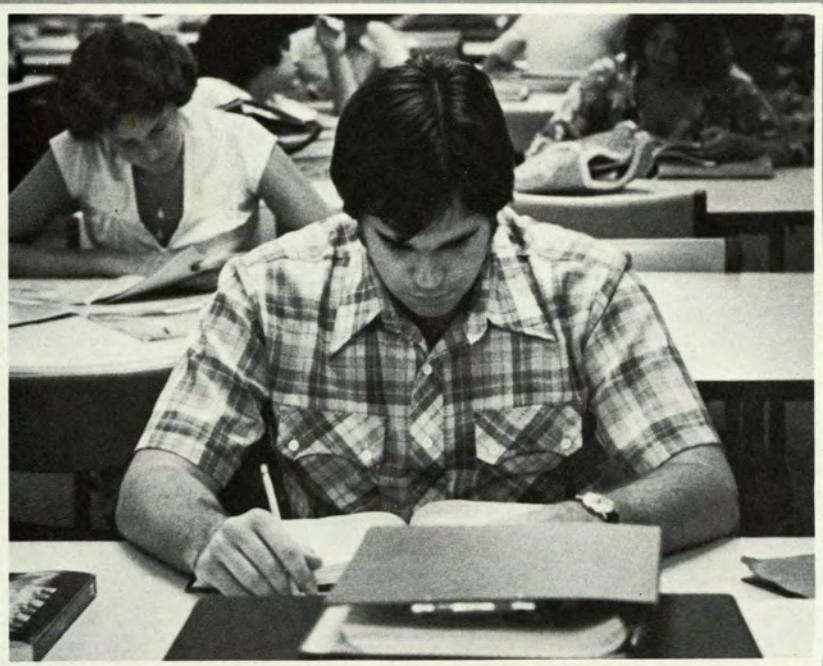

### **WUCF-FM:**

*Our very own campus radio station — Stereo 90.*

### **YEARBOOK:**

*You're looking at it!*

**CLUBS:** a group of people  
associated for a common  
purpose or mutual advantage,  
usually in an organization that  
meets regularly.

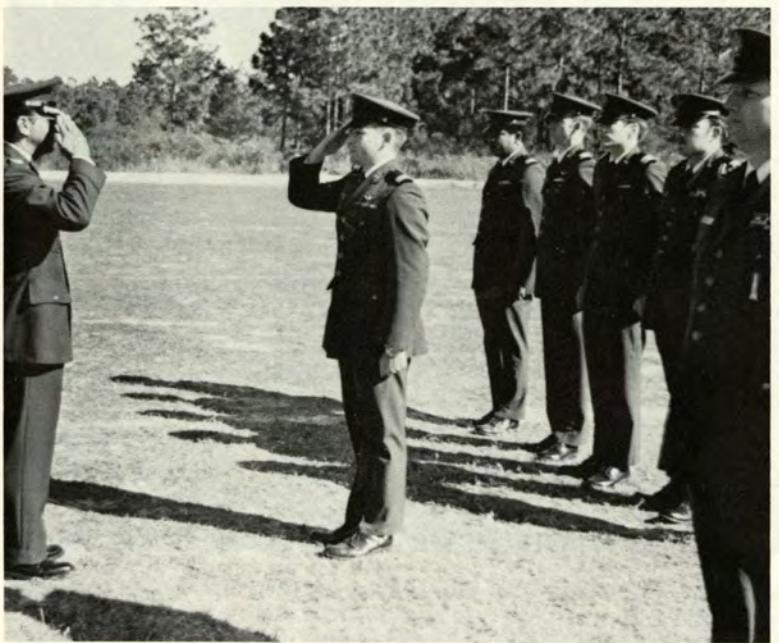

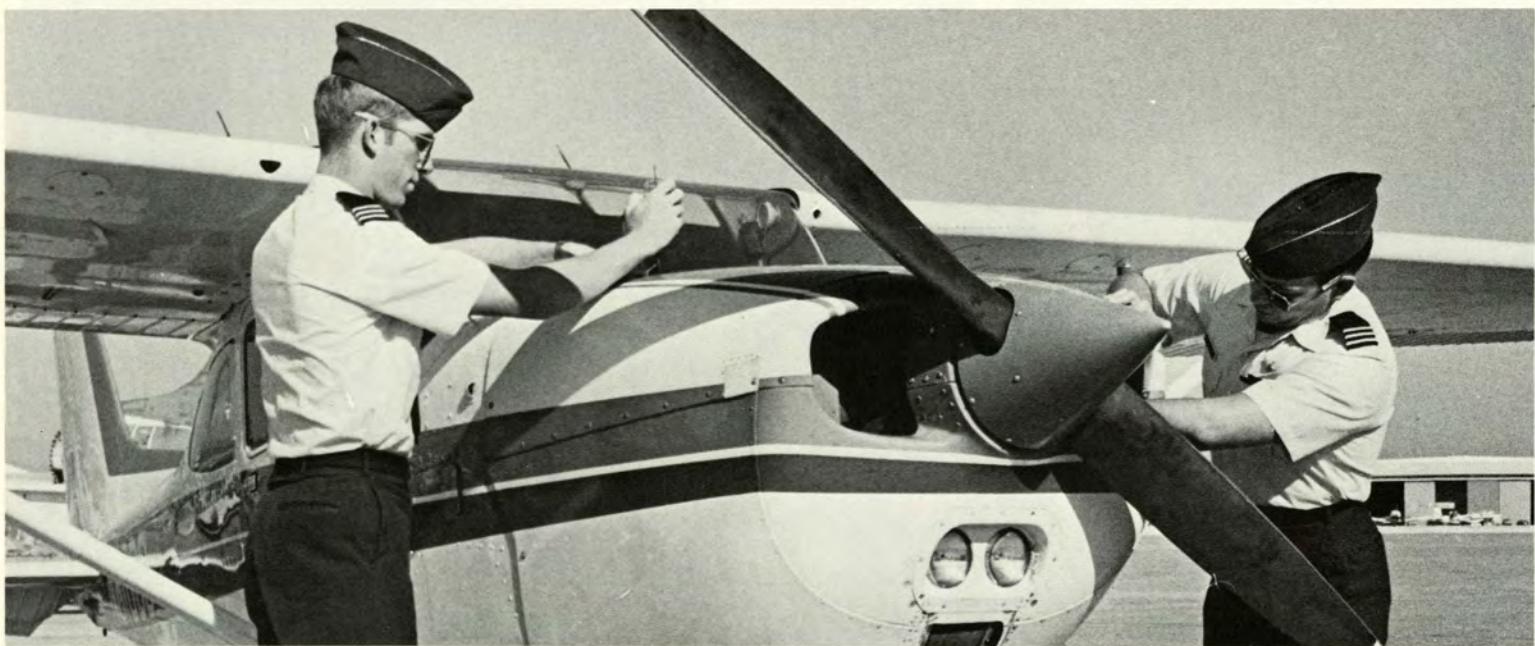

## Air Force ROTC

*AFROTC Detachment 159 began its tenth year on campus with an enrollment of 171 cadets. Commanded by Colonel Floyd V. Kimberly, the detachment expanded operations and provided new opportunities for future Air Force officers to explore the world of aerospace management. The members of the corps found new scholarship opportunities, orientation rides in Air Force aircraft, field trips to nearby Air Force bases as well as our nation's capitol and competitive sports added to their academic and social programs this year. There was something for everyone in Air Force ROTC!*

## Water Ski Team Pulls Hard To Make an Active Club

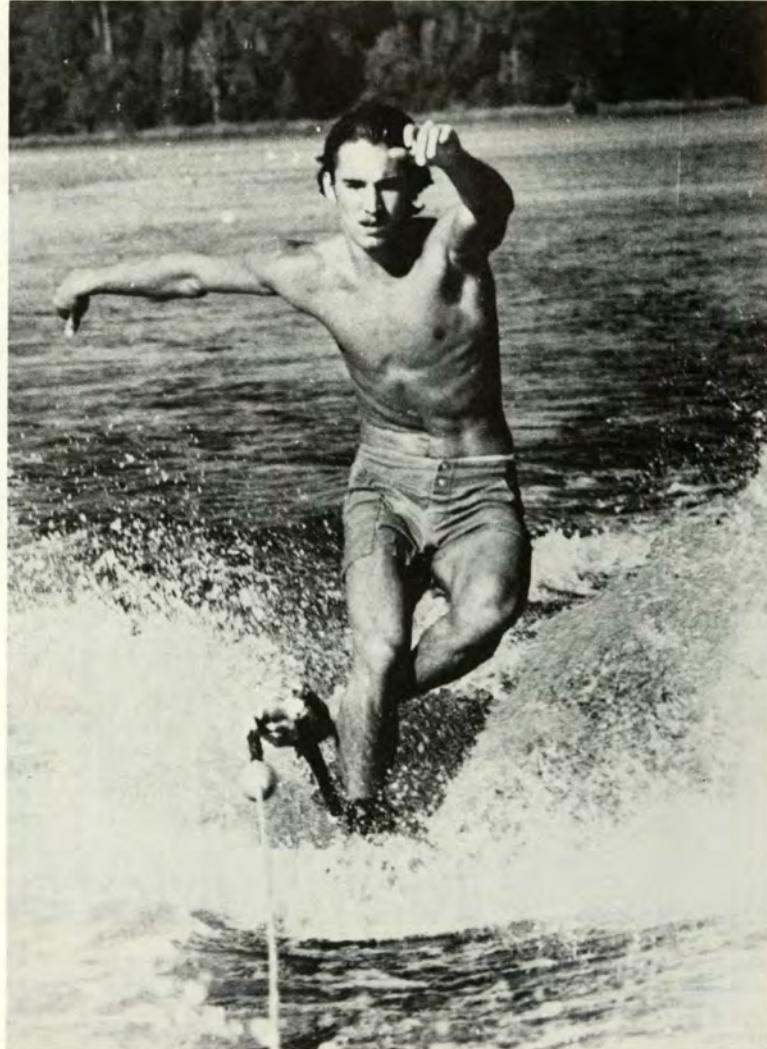

The U.C.F. Water Ski Club is one of the most active sports clubs on campus. The team winded up their intercollegiate season finishing fourth overall in the Southern Region, the club taught water ski leisure classes, hosted three intercollegiate ski tournaments and one AWSA tournament.

The club's training site is located on beautiful Lake Whippoorwill in southeast Orlando. When the sun is shinning and the lake is calm you can always find a group of skiers anxious to wait later, pull harder and "kick it" off the jump ramp, while others are ready to learn a new awsome trick, or cut into short line through the slalom course.

These skiers work hard to improve their skills with hopes of creating a top ranked team to represent UCF. This year the team took overall and individual victories. New club records were set by top overall skiers Jimbo Calhoun and Betsy Harris.

The club put forth an outrageous 81-82 year filled with good times, work days, wipe outs, hot tubs, calluses, phone calls and Bush beer.

"Did you say a variable wind out of the west?" Be skiing ya 82-83.

*Trevor Colbourn holds degrees from the University of London, the College of William and Mary and the John Hopkins University — where he secured his doctorate in American History in 1953. A peripatetic professor, he taught at Penn, State and Indiana Universities before serving as graduate dean at the University of New Hampshire (1967-1973) and Academic Vice President and Acting President at San Diego State University (1973-1978). He was designated president of what was then Florida Technological University in January 1978 but by the following December succeeded in changing the name of that institution to the University of Central Florida and thus far has survived both the name change and the introduction of a football program to UCF.*

*Dr. Colbourn is also a member of the Boards of Directors of the Orlando Area Chamber of Commerce, the United Way of Orange County, and the Orlando Opera Company, as well as the Kiwanis Club of Orlando.*

# OVER ONE MILLION SERVED.

With over 145 Barnett offices in Florida, it stands to reason we'd do business with a lot of people. But it also stands to reason that we wouldn't be doing business with over a million of them if we didn't do a better job.

And that's the kind of job we'll do for you.

When you open a checking account with us, we give you a way to earn interest on your money. When you ask us for a loan, we won't treat you like a suspicious character. We'll ask

a few questions, then get you an answer in a few hours.

Whether you're borrowing or saving, we'll give you sound advice on making your money work harder for you.

In fact, we'll help you with almost any financial service you'll ever need. So come to Barnett. We're the bank that treats you like one in a million.

**WE DO A BETTER JOB. AND WE'VE GOT A MILLION CUSTOMERS TO PROVE IT.**

All Barnett Banks are members of FDIC.
